We trust you have been able to visit our Facebook page, especially over the 12 days leading up to Christmas. After being informed, and hopefully inspired, we pray you are ready to become involved with us.

An Opportunity for Investment

In late October '14, we launched **Reaching the Heart of Haiti** (RHH) with the goal of discipling as many Haitian believers as possible, especially targeting those who could neither read nor write. As of today, we can report this progress:

1291 Haitian believers involved in **RHH** and 148 Haitian church leaders trained to disciple (681 literate believers and 610 literacy-challenged believers)

We are deeply indebted to those who have made this possible through their generous gifts.

During 2016, we have made a strong effort concentrating in the north of Haiti with Cape Haitian as our center. In 2017, we want to increase our involvement in the south of Haiti, centering in Port au Prince. We need funds to purchase additional players to accomplish the task.

We invite you to get involved by making an investment in discipling Haitian believers.

Some possibilities

- \_\_\_ \$35 gift for one player to disciple a Haitian believer
- \_\_\_ \$35/mo. to provide 12 players to disciple 12 believers
- \_\_\_ A one-time gift of \$420 to disciple 12 believers
- \_\_\_ A one-time gift of \$\_\_\_\_\_.

Growth Ministries covers the cost of manuals for discipling literate believers. We need your help in providing the players.

Make an investment that will reap tremendous dividends.

Initial investments are reaping dividends.

More than 800 Haitians are being disciplined since the pilot programs started last summer and early fall.

***Invest in Haitians who are seeking to know Christ, like the more-than-100-year-old woman who asked for a player when she met Ezekiel, a former Emmaus Biblical Seminary student and pilot pastor of the program. She is not a Christian...yet.***

Dividends are what investments are all about.

I am offering you an opportunity to reap dividends in the lives of Haitians. One of my students at Emmaus Biblical Seminary recently said that Haiti will only change as lives are changed. Missionary organizations through the years have invested time and resources to see Haiti evangelized. Yet, there are still areas to be evangelized. Equally important is the discipling process to see lives changed! Would you join us in the process? Prayerfully consider an opportunity on the enclosed card.

*Invest in **husbands, like the one who after listening to his wife's discipleship player, decided to go to church with her and has since become a Christian.***

Make an investment that reaps dividends.

Will you join us in *Reaching the Heart of Haiti*? All you have to do is fill out and mail the enclosed card. Then picture and pray—picture a Haitian receiving his very own solar-powered player and pray for him as he hears for the first time, “What it means to be a Christ-follower”.

Sincerely,
